## **INFORMATION FOR PARENTS: LEARNING FROM HOME UPDATE**

Dear parents/carers,

I trust your children are progressing well in their learning from home activities. As you will be aware, there have been a number of announcements from the NSW Premier and NSW Department of Education over the weekend. This is a summary of relevant information as it applies to Cecil Hills HS.

- **Contacting the front office:** Schools have been asked to significantly restrict the number of staff on site. As a result, we will have limited office staff at school. The best way of contacting the school is via email ([cecilhills-h.school@det.nsw.edu.au](mailto:cecilhills-h.school@det.nsw.edu.au)) and an office staff member working from home will then address your enquiry.
- **Year 12 practical sessions:** A number of courses including Timber, Multimedia, Design & Technology, Drama, Music and Visual Arts were scheduled to have practical sessions this week. Unfortunately, we have been advised to cancel these sessions. The NSW Education Standards Authority (NESA) is meeting this week and we hope to receive advice on major works in these courses. Students are advised to keep working on their major works at home if possible.
- **Vaccination program:** Teachers in the Liverpool, Fairfield and Canterbury-Bankstown areas have been prioritised for vaccination. Teachers will endeavour to make their vaccination booking outside of core teaching hours. Please be aware that some classes may involve the teacher leaving student self-directed work if the teacher is unable to secure a vaccination timeslot outside of teaching hours.
- **Year 8/9 parent-teacher interviews:** A reminder this event will occur as planned on Monday, 19 July 2021 via telephone. Parents are asked to accept calls from private numbers at their booking time.

I will continue to communicate with our parents and students to ensure you have access to the latest information. Please do not hesitate to contact the school if you have any questions.

**Mark Sutton**
